

RESOLUTION NO. 2010-12

**A RESOLUTION OF THE CITY COUNCIL OF GRASS VALLEY
AUTHORIZING THE INCLUSION OF THE CITY OF GRASS VALLEY IN THE
CITY OF NEVADA CITY'S SUBMISSION OF THE GOOGLE FIBER FOR
COMMUNITIES PROGRAM IN WESTERN NEVADA COUNTY**

WHEREAS, western Nevada County, including the City of Grass Valley, is a perfect model rural test site for the deployment of Google Fiber for Communities; and

WHEREAS, Nevada County has a long history of technological firsts; the first long-distance commercial telephone call in the country was made here during the Gold Rush, and the first telephone network, consisting of five phones, operated here as well, and

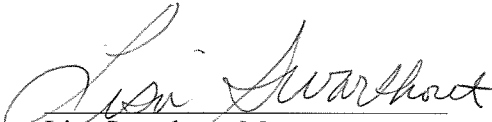

WHEREAS, in the 1960's, Grass Valley Group created the technology to display the first graphical special effects on broadcast television; and

WHEREAS, inventors, entrepreneurs, scientists, videographers, artists and the hub of the HD broadcast technology industry make their homes here indicating that we are ideal beta-testers for new consumer and business applications that will take advantage of 1Gbps Internet service.

NOW, THEREFORE, BE IT RESOLVED, with the understanding that Google is interested in deploying a fiber network efficiently, effectively and quickly, the City of Grass Valley will cooperate fully in this build out by streamlining approvals and guiding Google through the local regulatory processes, and approves our inclusion in the City of Nevada City's submission to the Google Fiber for Communities program.
